The Board of Directors has declared an Interim dividend of Rs 0.30 (3%) per fully paid up equity share of Rs 10/- each of the Company.

Commenting on the performance, Mr. Rajinder Gupta, Chairman at Trident Group said:

“The performance during the quarter is reflective of the progress on several strategic initiatives. The commissioning of our new Terry Towel facility in Budni is under stabilization. However, it has started adding to the overall efficiencies and is reflected in the improved margin profile of this business. The full benefits of these capacities will be visible from FY16 onwards. In the paper business, our focus is on improving productivity and operational efficiencies.

While we consolidate operations in the near term, we are confident of delivering sustained growth through larger capacities and improved product offerings in the longer term. At the same time, measures to strengthen our balance sheet will help us contain debt and financial costs relative to the increasing size of our operation which will deliver enhanced value to our shareholders.”
Highlights for the quarter ended June 30, 2014

- In line with the Company’s long term strategy to become the global home-textiles leader, the Company integrated its Yarn division with its Terry towel division during the quarter. The integrated division (“Textiles”) will enable the Company to draw greater strength from vertical integration by leveraging business experience, resource utilization and synergy more effectively.
