“I am happy to share that we reported highest-ever EBITDA and PAT during the financial year. Our EBITDA and Profit After Tax increased by 8% and 94% to Rs. 751 crore and Rs. 228 crore respectively. This was a result of our focus on expanding margins by improving operational efficiencies and other strategic initiatives. During the year, our effort was on improving the penetration of our home textile products in international as well as domestic markets through emphasis on marketing.

The roadmap for the coming year looks promising, as we are geared up to sweat our global scale capacities in the Home Textiles segment. All the initiatives and efforts undertaken by our marketing team would start delivering results in the current year as we expect notable pick-up in volumes and ramp up in utilization levels.
